

## Our Ministry Leaders

**Prayer Ministry – Pat Condon:** Thanks to Pat, God has blessed our church in miraculous ways. Pat oversees the all-church monthly prayer meeting every 4th Saturday. He also has a prayer group that meets on Thursdays at his house.

**Women’s Ministry – Val Roufus:** Val is such an inspiration to the women of NVC. They meet every 2nd Saturday monthly for a beautiful time of fellowship, prayer, and the Word.

**Security Team – Dan Roufus:** Dan is a veteran police officer of the MPD. When you look up the word “awesome” in the dictionary, you’ll see his headshot. He and his team do an excellent job ensuring that our church is a safe place to gather and worship.

**Hospitality Ministry – Marge Ebbott:** Marge is an incredible blessing to the church. She’s the one who always makes sure we have fresh hot coffee, bottled water, and snacks on Sunday mornings, not to mention our “Sandwich Sunday” lunch events which happen every 4th Sunday of the month after the second service.

**Audio/Video Ministry – Luke Bartelme:** Thanks to Luke and his team, the church is blessed with top-notch audio and video for the Sunday morning experience, not to mention making available video messages online. He brings the “wow” factor to an 11 out of 10!

**Usher/Greeter Ministry – Angie Procek:** Angie is the most detail-oriented head usher/greeter. Her integrity is unmatched! You are in great hands with her and her team.

**Teaching/Preaching/Missions/Men’s Ministries – Pastor Paul Bartelme:** Pastor Paul brings it every Sunday morning! Be prepared to learn some breathtaking truths from the Word along with an application that is truly life transformative.

Regarding our missions: NVC is blessed to be a blessing by contributing financially to the following organizations: 1) “Redeem and Restore Center,” an organization that ministers to women in the underworld of sex trafficking in the Greater Milwaukee area, 2) “Second Chance Ministries,” a catalyst for ongoing revivals throughout the nationwide prison system, 3) “Promise Land Ranch School,” the first Christ-centered private school in Ghana, Africa raising up the next generation of spiritual leaders, and 4) “Good News for India,” which comprises 450 churches, a seminary, and several primary and secondary schools.

**Worship Ministry – Danica Bartelme:** If you’re looking for performance-style worship, you’ve come to the wrong place. On the other hand, if you desire to be led into the throne room of God in a celebrative, sweet, and rapturous way, Danica and her team will get you there. You know, that place where there’s peace, joy, and a reassurance that God loves you and that He’s in control.

**Youth/Kids Ministry – Danica Bartelme:** Our youth are on fire! They are GROWING in their relationship with Jesus and making awesome friends, too. Regarding the kids: it feels amazing to hear from them how much they love “Kid Zone” at NVC! They have a lot of fun and they are learning all about Jesus. Just recently, some of them got baptized! It was awesome.

**Tithes and Offerings Ministry – Alan Sparks:** Alan is da man! NVC is so blessed to have him and his team ensure unquestionable integrity regarding managing the Lord’s finances.
